ROSEVILLE SMILES

TEAM PROFILE

Irina Borsuk

RDH - Registered Dental Hygienist

IRINA BORSUK

I graduated with honors from Carrington College as a Dental Hygienist. And, have over 20 years of experience working in the dental field. While in College I received Clinical Excellence and Sacramento District Dental Society Awards.

I'm truly passionate about what I do and I highly value each and every person who visits our office. Our patients constantly compliment me on my caring nature and gentle touch during their visit. I enjoy providing outstanding clinical care and cherish the lasting relationships formed with all patients. When I'm not working, I enjoy spending time with my husband and two kids. Also, one of my biggest passions in life is traveling the world.

I would be privileged to provide a positive and gentle dental office experience for you and your family.
